

Site Purpose:

The goal of this website is to give information to temple patrons and their families about the specialized services that this hotel chain offers to whoever serves in the temple or participates in events such as sealings, weddings, receptions, and youth trips. This website will offer an area to reserve a room or a banquet hall in the hotel for events. It will also give summaries about the temples that the company accommodates.

Target Audience:

This website will be more geared towards members of the church 12 and older who can participate in the temple ordinances. However, there may be nonmembers who participate in the activities surrounding marriages. They may want to look to see the amenities they'll get while staying there. However, the company asks those who use their facilities to abide by the same standards as members.

The spectacle before us was indeed sublime.

Apparently we had reached a great height in the atmosphere, for the sky was a dead black, and the stars had ceased to twinkle. By the same illusion which lifts the horizon of the sea to the level of the spectator on a hillside, the sable cloud beneath was dished out, and the car seemed to float in the middle of an immense dark sphere, whose upper half was strewn with silver. Looking down into the dark gulf below, I could see a ruddy light streaming through a rift in the clouds.
